

ELIOS | Basket 8

Elios Basket 8 for Elios Arbora P8 Pole Post | To Fill with Rock
Data Sheet

The Elios Basket 8 Panel Post is specifically designed as the foundation for the Elios Arbora P8 Pole Mount System. It includes all essential hardware, along with a base and structural framework. To fill the basket with rocks, you can add your own wooden planks to enclose the structure (not included). For optimal stability, you can also use cement or cement blocks within the basket during the installation process.

Features & Benefits

-  Made from durable galvanized steel to resist corrosion.
-  Easy to assemble with all necessary hardware included.
-  Fits perfectly with the Elios Arbora P8 Pole Mount System.
-  Compact design maximizes stability in limited spaces.
-  Stainless steel installation hardware.
