

Inverter Form

* Quantity 1

* Rated inverter power 10 kW

* Number of phases

Single-phase

Polyphase

* Rated inverter voltage (Volts)

120V

120/240V

347/600V

277/480V

Other

* Certifications obtained for this inverter model

UL 1741-SB

UL 1741 CRD Multimode

IEEE 2030.5

IEC 62786-1

* Firmware version at the time of certification **Master:010801 / Slave:010600 / EMS:010802**

* Multimode device (grid-connected and islanding operation)

Yes

No
